

PINK INFLATABLE POUF MATTRESS

Manual

- Before inflating your inflatable pouf mattress, you must first place the PVC envelope in its cover and then proceed to inflate it.
- When you place your inflatable pouf mattress in the water, make sure that the Velcro closure is always located upwards.
- After use, we advise you to take your inflatable pouf mattress out of the water and rinse it with fresh water.
- Be careful never to leave it on the water during a pool water shock treatment.
- Be aware that prolonged exposure to the sun can alter its colors.
